

# The Gather membership scheme

*Are you a regular user of The Gather?*

*Do you want to help secure the future of this great community asset?*

Following the village decision to hand back the community pub The Fox & Hounds to its landlord, The Gather has inherited historic debts of £33,000. A fundraising campaign is under way to raise the money to clear this backlog, and you can help by joining this new membership scheme.

The annual fee of £100 + VAT is set deliberately high so that we can start collecting money quickly before creditors take action which might result in closure of The Gather. For this you will receive:

- 10% off all purchases of food and drink in The Gather café
- Entry into a monthly draw to win a £25 Gather Voucher
- Priority notification of Gather events
- The option to become a shareholder in Ennerdale Hub Limited, the Industrial and Provident Society for Community Benefit which owns The Gather – this would give you a say in managing your community asset (note: existing shareholders will be given the first year's membership free of charge). If you are interested in this option, please contact The Gather for further details.
